MESSAGE FROM MISSION CONTROL

A LETTER FROM THE PRESIDENT

FOUNDING SEASON 2027 • INAUGURAL 9U TEAM

DEAR COMMUNITY PARTNER,

In 2027, the Burns Harbor Beavers Baseball Organization will take the field for our founding season with an inaugural 9U team—and a purpose that reaches far beyond wins and losses.

We are a 501(c)(3) nonprofit organization committed to developing skilled baseball players and outstanding young leaders through excellence in coaching, sportsmanship, and community service. Our federal recognition paperwork is currently being processed, but our mission is already in motion: creating a positive, competitive, development-focused environment where every athlete can grow on and off the field.

Baseball teaches discipline, leadership, perseverance, respect, and integrity. Delivering that experience takes a community behind it. Uniforms, equipment, training resources, tournament fees, insurance, and outreach opportunities all depend on businesses, families, and supporters who believe in what our players can become.

Your sponsorship does more than place a name on a banner or jersey. It creates opportunities for young athletes, eases the financial burden on families, and helps build a program that can serve Burns Harbor for years to come. As a founding sponsor, you become part of the Beavers story from the very beginning.

Every decision we make is guided by our commitment to our players, our families, and our community. Together, we can build confident athletes, responsible teammates, and future leaders who represent Burns Harbor with class wherever they go.

Thank you for considering the Burns Harbor Beavers. We invite you to stand with our players, fuel the 2027 season, and be the force behind the Beam.

BEAM UP,

Caitlan Swiney
